

Welcome!

Dear Renter or Guest,

Welcome to Sterling Beach Condominiums! Many of our owners graciously rent their units so others can enjoy this beautiful property and stunning beaches as we do.

Please take time to read the information provided here. The documents provide the basics for enjoying our property safely.

If you have any questions, please contact your rental agent, condo owner, or the Condominium Owner Association (CAM) manager.

Have a wonderful vacation here!

Ike Frady

Renters/Guests: Pets are not allowed unless you own a condo here. If you bring a pet as a renter, you must board it. The only exception is a dog with an active service animal certification through the American Disability Act (ADA).
